

IN THE DRAWINGS

Please accept 9 sheets of replacement informal labeled Figures 1–9.

The applicant is aware that numerous sets of drawings have been submitted, but cannot recall the exact drawings of the February 10, 2003 submission referred to by the Examiner.

A copy of drawings are attached hereto which are believed to correspond to the drawings submitted Feb. 10, 2003.

A mark-up copy of the new informal Figures is provided to the best of this agent's ability as compared to the February 10, 2003 submission.

Applicant contends that no new matter has been added.
